OFFICE OF ADMISSIONS

Dear Jeremy Matthew Klein,

The Registration Application you submitted has been approved. The file number shown below is the Office of Admissions' method of identifying your records. To verify your admission status, log in to the [Applicant Portal](#).

Please keep in mind that the Registration Application is not an exam application. You may submit the separate exam application through the Applicant Portal within the specified deadlines if your intention is to take an examination.

It is each registrant's responsibility to be familiar with the Admissions Rules and the Summary of Requirements for Admission to Practice Law in California. This information can be located on the [Admissions' portion of the State Bar's website](#).

Lastly, we encourage you to visit the Office of Admissions Help Center by logging into the Applicant Portal. From your home screen, click on **Help Center**, where you'll find step-by-step guides and FAQs covering a variety of topics.

Feel free to reach out to us if you have any questions by submitting a General Request through the Help Center.
